DIPLOMA IN LAW ENFORCEMENT

KPT: N/861/4/0017 MQA: FA 9528

The goal of the Diploma in Law Enforcement programme is to provide the students with theoretical background, applied skills and specialized knowledge required to become a superior candidate in a recruiting process and to increase their chances of success at the entry level employment stage in a range of investigation and law enforcement occupations.

Innovative International College collaborates with ELP International to offer the industry driven course for its students. Students are taught by a team of experienced and highly qualified lecturers who have a combined experience of more than 10- 30 years and hold many distinguished positions in various government entities and the private sectors.
