

# BACHELOR (HONS) IN LAW ENFORCEMENT AND ADMINISTRATION

MQA: PA 17158

The Bachelor of Arts in Law Enforcement program offers students a comprehensive insight into the realm of crime, security, law enforcement, and investigative procedures. Through this program, students will gain a profound understanding of the critical role that professional law enforcement and investigative practices play in maintaining public safety. Furthermore, the curriculum is designed to equip students with an in-depth comprehension of the diverse types and natures of crimes, alongside an enhanced capacity for enforcement intelligence. This pivotal knowledge enables them to proactively prevent crime, effectively develop cases, and efficiently allocate resources.

Additionally, the program emphasizes the development of advanced skills and a nuanced understanding necessary for the sophisticated nature of contemporary law enforcement and investigations. This includes mastering cutting-edge techniques in crime scene analysis, digital forensics, and psychological profiling, ensuring graduates are well-prepared to adapt to and address evolving criminal methodologies. Upon completing the program, graduates will emerge with a robust set of competencies, including analytical thinking, ethical judgment, and strategic decision-making. These attributes, combined with their specialized knowledge and skills, will empower them to execute their duties with the utmost diligence, effectiveness, and professionalism in a variety of roles within the law enforcement and criminal justice sectors.
