# INTRODUCTION

This program aims to build a new generation of lecturers for the tertiary education industry who is equipped with the necessary skills and knowledge to handle the current demands of higher education.

## This program is aimed at:

- Fresh Degree / Master's Graduates
- Unemployed individuals / Retirees
- Working professionals considering a career change or additional income source
- Existing lecturers looking to enhance their teaching skills & MQA knowledge

Assalamualaikum w.b.t. and warm greetings to everyone, I would like to extend my heartiest congratulations to all participants of the Certified Lecturer Program with Artificial Intelligence (AI) & e-MAS (MQA Accreditation System) for being selected to join this meaningful initiative. This program represents a significant opportunity to cultivate and empower young lecturers who are set to lead in the ever-evolving academic world.

As an educator, your role goes beyond the traditional responsibilities of teaching. It involves guiding and shaping the future of our students, contributing not only to their academic development but also to their character and leadership potential. The Certified Lecturer Program is designed to equip you with the necessary tools and knowledge to excel in this noble profession. I encourage all participants to make the most of the opportunities presented in this program and to view it as a stepping stone toward becoming exceptional educators and role models.

Finally, I would like to sincerely thank all the trainers, guest speakers, facilitators and the management team for their hard work and dedication in making this program successful. May this initiative inspire positive change and excellence in the field of education.

Thank you.
